Recreation and Parks Commissioner Terry Walling, third from right, welcomes some students at Valencia High School to the new Backs Community Building. YL Planners Hold Meeting

The Yorba Linda Planning Commission will consider a request for a zone change to allow a mobile home park on the northwest corner of Buena Vista Avenue and Jefferson Street at its regular meeting tonight at 7:30. The change was requested by Esther Lamhofer.

The general area has been the subject of two such applications in recent months, one in Placentia and one in Yorba Linda. Both were denied after vehement opposition from homeowners in Placentia to the north of the proposed zone change.

The latest application in Placentia was denied by the Planning Commission there only two weeks ago.

In other agenda items the commissioners will consider a request from Millet-King and Associates to approve a one year extension on a tentative tract map for the north side of Yorba Linda Boulevard and east of Fairmont Boulevard. Lan-Ron Properties is the developer.

A similar extension on an already approved map was appealed by City Council action at its last meeting.

The third item on the agenda is a parcel map dividing 1.1 acres into 2 parcels on the northeast corner of Vallecito Lane and Oriente Drive between Avocado and Ohio streets submitted by Arthur J. Hutton.

Library Begins Budget Study

Trustees of the Placentia District Library met Monday night, May 11, in the library annex to discuss the budget for the fiscal year 1970-71.

Discussion at the time was only on the operating costs, and was a preliminary study, as well as a look at what might be expected in the future, stated Mrs. Louise

Tracer, head librarian.

Later in the month a session will be held to discuss the salary base, but the date has not been definitely set.

Operating costs coverage includes all aspects of library functioning to maintain the standards previously set by the Trustees, it was said.

Programs Continue In Building

On Sunday, May 17th Valencia High School will be presenting a program at 2:00 p.m. and at 4:00 p.m. El Dorado High School will be performing at the Backs Community Center in Placentia.

Morse Elementary School will put on their program Monday evening, May 18, from 7:00 to 9:30 p.m.

On Tuesday evening, May 19, from 7:00 to 9:30 p.m. Orchard Drive Elementary School will do the entertainment honors.

Kraemer Intermediate School will have a program on Wednesday, May 18th at 7:00 p.m.

The final program of the week will be presented by Tuffree Intermediate School on Thursday evening, May 20th, at 7:00 p.m.

All of the art and craft exhibits will be on view from 10:00 a.m. to 5:00 p.m. every day except Sunday. They will also be open for viewing at the time of the evening performances. This exhibit will be closing on May 28th.

Opening Day Planning Underway

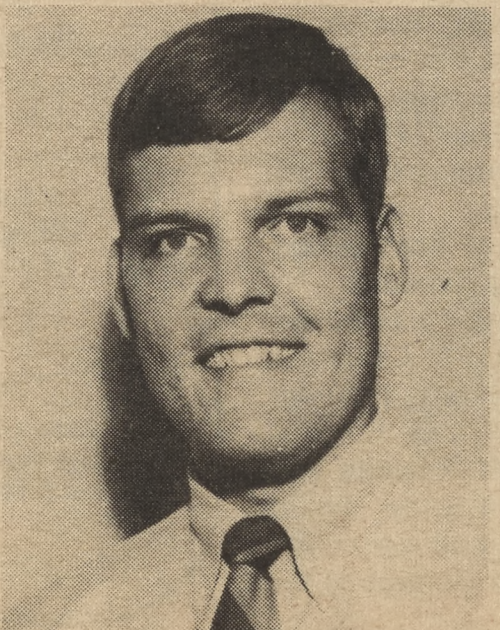

Plans for opening day ceremonies were discussed by the Placentia Recreation and Parks Commission at its meeting last Wednesday.

The plans included tentative arrangements for openings of parks now being constructed in Placentia. "Huck Finn Days" was proposed for the opening of Arroyo Verde Park. Activities such as real trout fishing will add to the theme of the opening.

A championship Scottish youth band performance is planned for the opening of the new Koch park.

The opening of the McFadden park will probably be delayed until the arrival of an airplane which is being donated to the city by the U.S. Government. It must be shipped to Placentia and mounted on a suitable base.

The Commission also heard a report on the Teen Advisory Cabinet. Commissioner Terry Walling, head of the teen cabinet, said he had recently explained the cabinet to the Placentia City Council. He said a very favorable response, and many good suggestions came out of that meeting.

Board Discusses Committee

Following a short executive session, the Placentia Unified School District Board of Education voted to have a single 180 minute kindergarten next year and voted to retain the content of the music program intact next year.

Before getting into the agenda the board opened the meeting to the public for discussion.

Don Pickrell, member of the Budget Advisory Committee, stated that many people on this committee have withdrawn their participation and have failed to attend meetings. He felt that this committee should be dissolved and a restructuring take place so that a meeting can be held to consider budgetary items.

It was felt by the board that an effort should be made to personally contact these people, and/or, organizations to see if this committee can be brought together to function as a whole.

The board has directed Dr.

Murrell M. Miller, district superintendent to contact these people. A special meeting will be held on Thursday morning, May 14th at 7:30 a.m. to cover this item.

John Heiretz then directed a letter from the Citizens Ethnic Ad Hoc Advisory Committee to the Board. In this letter they asked that the position of one E.S.L. Teacher not be eliminated from next years budget due to the urgent need of this teacher at Van Buren, Glenknolls, Morse, Ruby, etc..

Board member Dr. Ralph Ruth then suggested that it might be possible to move up the entire agenda preparation a few days to give the people more time to gather it, print it, and the board to review it. He also suggested that in the future it might be possible to hold every other board meeting at a different school so the public can take a more active roll.

Among those welcoming former councilman and mayor Vic Michel to a surprise party at Richard Parra's home last weekend were from left, Fire Chief Jim Sims, Parra, Mayor Bob Finnell, Dick Alumbaugh, former councilman Art Winney, Carl Czapinski, Vick Knight, and Police Chief Earl Coleman. Michel and his wife Marge admire some of the gifts they received in special ceremonies at the party.

Anderson Joins City Staff

The Placentia Parks and Recreation Department has a new recreation supervisor.

Jack Anderson assumed duties as recreation supervisor May 4. Anderson will directly assist Recreation and Parks Director Dick Samp, in addition to being responsible for all Placentia recreation programs, including swimming.

A native Californian, Jack attended Birmingham High School in Van Nuys. He received a B.A. Degree in Physical Education at California Lutheran College, with limited graduate work at San Fernando State College. While attending school, he acted as Camp Counselor for two summers at Lutheran Bible Camp in Redondo Beach. Prior to entering military service, he taught physical education at L.A. Baptist High School in Sepulveda.

While serving in the U.S. Navy,

Anderson attained the rank of Lieutenant, J.G. He was assigned as assistant special services officer at NAS Chase Field, Beesville, Texas. There Anderson was responsible for the 2,500 man intramural athletic program, athletic fields, swimming pools, gymnasium, and a nine-hole golf course.

Anderson and wife Judith have taken up residence in Fullerton.

PYA Plans Program

Thinking of leaving this summer? Leaving because there's nothing happening in Placentia? Well, stick around — this summer promises to be different.

The Placentia Youth Advisory Cabinet is planning activities with teen views in mind. Activities such as dances sponsored by Teen Scene running every other week all summer beginning June 18. Other ideas brought up by the cabinet include film

festivals and using the lower half of the Backs building as a Teen center with constant activity.

Youth Advisory Cabinet chairman Terry Walling explained that a room in the lower section of the building would be used primarily for jam sessions so that local bands would have a place to practice. Sign up sheets for use of the room will be available in the department of parks and recreation office after June 1. Terry stated, "We want to provide the youth of the city with a place to go and something to do."

Permits

Building permits issued for the month of April 1970 reflect a reduction in construction compared to April 1969. Permits issued for April 1970 total \$106,707 compared to \$1,038,292 for April 1969. This year to date, however the valuation compares favorably with the 1969 total. For the fiscal year in 1968-69, permits issued totaled only \$8,529,723.00. For this fiscal year permits valued at \$11,438,056.00 have been issued.

A permit was issued to Ray Hoorebeck for a single family residence at 505 Kansas Ave., valued at \$19,013.

A commercial permit was issued to Carl J. Heinz for a restaurant at 740 W. Chapman, valued at \$16,372.

Placentia Parks Work Continues

Work continues today on the four parks still uncompleted. Koch Park planting has been completed and the grass has begun to grow. Monday, construction of the Tartan floor for the Tuffree gymnasium started. The backstops are completed and the tennis courts will be ready for use soon at Tuffree. The Arroyo Verde lake bottom is being cemented and the small building at Vaqueros park is under construction. McFadden Park is complete.

Ruth Vernon Entertained

Pot luck dinner, and a few games of cards were the divergence when Mrs. Ruth Vernon of 126 Ruby Dr. entertained a number of friends at her home on Saturday night, May 9.

Enjoying the hospitality of the Vernon home were Blanche Yeager, Margaret Ustick, Oliver Patton, Violet Cornwell, Edith Young, Bess Doughney, Elsie Nickles, Daisy Newport, Clara Knutson, Ann Thomson and Virgie Kipp. Most of the guests are members of the Rebekah Lodge to which Mrs. Vernon belongs.

Cabinet Has Requests

The Placentia Youth Advisory Cabinet has submitted a list of items they feel would be appropriate furnishings for the Teen Center which will be located in the lower half of the Backs Community Building.

Decor may possibly include a pool table, two ping pong tables, coke machines, lounge chairs, a juke box and a bumper pool table.

The eight member cabinet was selected by the administrative bodies of El Dorado, Servite, Valencia, and Marywood, Jay Flatley and Nancy Backes attend El

Dorado as Jim and John Dunn represent Servite, Ronnie Rebella and Kathy Galbreth were selected from Marywood while Rhett Bray and Terry Walling are the Tiger members.

The Youth Cabinet was formed in February of this year. The names listed above were submitted to the city in nomination for the newly formed office as Teen Commissioner of Parks and Recreation. After Terry Walling was selected the remaining seven were chosen to act as the Youth Advisory Cabinet.

The cabinet meets every Monday night in the parks and recreation office.

Quiet Week For Firemen

Since the winds have subsided, firemen have been called to only one grass fire. A field fire at the rear of 933 Easton Street was quickly extinguished and since a cause could not be determined immediately, an investigation is continuing.

A roof top cooling unit on the roof of a commercial building at 1216 E. Yorba Linda Boulevard, leaked water into the shop below. Firemen were called, and after shutting off the source of the water, they removed the excessive moisture from the shop.

The quiet week for the Fire department, found the rescue unit involved with two assists, and a small engine fire was extinguished in an auto in the area of Murray Avenue and Olive Street.

produces the Apollo spacecraft Command Service Modules for NASA's Manned Spacecraft Center as well as the "S-11" second stage of the towering Saturn Five moon Rocket for the agency's Marshall Space Flight Center.

Using slides and movies from several Apollo flights, including Apollo 11 and Apollo 12, Mr. Green will touch on a number of questions of interest to the audience: What is the true value of the Space Program? What are the returns, we as taxpayers are realizing from space? What is the real cost?

Dept. Sponsors Program

Fire Chief Sims of the Placentia Fire Department is pleased to announce this very timely program for the enjoyment of the public will be presented this evening, May 13, at Fire Station No. 2, 1530 No. Valencia Avenue, Placentia at 7:30 p.m.

An in-depth look at the historic Apollo 11 mission, together with a background of the Apollo Program in general, and a look into the future programs, will highlight a special presentation to be delivered by Bill Green from North American Rockwell's Space Division in Downey, California. His firm

Barred From Cemetery

Sunday, May 10, was Mother's Day. To some residents it proved a very disappointing one. After a wait of from two to four hours, relatives from San Fernando Valley and Placentia left the Yorba Cemetery saddened.

One resident of Placentia, after two hours wait, called the Orange County Sheriff's department, as well as finally making contact with Supervisor William Phillips, who promised to have someone open the gates in half an hour. It was never done after another 2 hour wait.

Yorba Cemetery is the resting place of parents of

people living in the vicinity of Placentia. Since the county has taken over the care of the cemetery a barbed wired fence has been erected.

"The protection of this distinguished landmark of early days in the county, is very vital," stated one of those standing waiting, "but we do believe that some arrangement could be made for us to get into the cemetery, even to letting us have keys to the gate for our days of visit."

Collision

Thirteen year old Claudia Barna of Beacon Street Fullerton, was injured in an auto bicycle collision last Thursday.

Driver, Alex Vartanian of Rolling Hills Drive, Fullerton was unable to avoid striking the cyclist as she rode in front of his moving car from behind one which was stopped for the traffic sign at the intersection of Bastanchury and Placentia Avenues.

The young girl was thrown from her bike, and suffered facial lacerations. She was taken to St. Jude Hospital for treatment. Claudia is a student at Tuffree Junior High School, and was on her way home at the time of the accident.

Burglary

Mrs. Delores Keller of 406 Purdy Drive, Placentia reported a burglary to the police on May 7.

The family dog was in the yard when Mrs. Keller left the house momentarily to visit her neighbor. When she returned she noticed that the dog was in the house and she further discovered that her purse had been rifled and currency was missing. The intruder must have left in a hurry for on the floor were five one dollar bills.

Amount of the theft was \$55 according to police reports.

YL Positions Open

The city of Yorba Linda is presently accepting applications for traffic commissioner, recreation leader and volunteers.

Traffic Commission applications will be accepted until June 1. The seven member commission has four technical experts and three lay persons on it. It studies all matters concerning traffic circulation, control and safety referred to it by the City Council.

Two positions as recreation leader are open for the summer recreation program to be held at Mabel Paine and Rose Drive Schools. Applicants must be high school graduates and will be paid \$2.50 per hour.

The city is also accepting applications for volunteers to serve as aides during the summer program. Applicants must be between the ages of 14 and 19. They serve without pay except that the four top volunteers will receive a \$50 scholarship. They will work in arts and crafts, playground supervision and excursions among other activities.

Stop Signs Protest

One could hardly observe a "Stop" sign in Placentia Friday morning without noticing that the signs had been altered. With the sophisticated use of a stencil, vandals had added the word "war" below the word "stop".

Sixty signs in Placentia alone were damaged, and police reports indicate that similar vandalism had been experienced by Yorba Linda and other Orange County communities.

According to the Placentia Public Works department 80 signs were painted. It cost the city \$250 in time and labor to clean the signs.

Local Band Plays

"The Ultimates," a band consisting of students from several local high schools, will play for the North American Rockwell Convention at Caesar's Palace in Las Vegas May 17.

They normally accompany Miss Millicent Rodgers in the "Big Band Sound." Miss Rodgers is the sister of Mrs. Penny Bradford of Placentia.

The band made its first big hit at the Disneyland Hotel on November 10, 1969 when they played for the North Orange County Child Guidance Center Placentia Fund dinner, fashion show and dance.

Members of the band are from El Dorado, Hollywood, Troy, Los Alamitos, Katella, Sunny Hills, and Loara high schools.

Members of the band "The Ultimates," are, rear from left, Al Johns, El Dorado; Bradley Burlingame, Katella; Gary Scudder, El Dorado; Dave Brown, Sunny Hills; Rick Adams, Troy; Bob Martin, Troy; and Dan Burkowitz, Loara. In front are Al Albin, Hollywood; Mike McAteer, El Dorado; Paul Hyrant, Troy; and John Alkins, Los Alamitos.

Installation To Close Avenue

The Placentia City Council has approved a request from the Orange County Flood Control District to allow the closing of Placentia Avenue between Orangethorpe and State College except for local traffic, while the district widens the culvert under the street just south of Orangethorpe.

According to the city

public works department the county wants to close the street soon. It would take about 90 days to complete the project.

Councilmen allowed the closing and commented that the city should ask the county to be sure to enforce its penalty clause against the contractor in case the project is not completed in time.

COVERING OVER PLANS - As the last days for filing applications to be in the Placentia Recreation and Public Services program pass, some of last year's volunteers go over plans for this year with Grace Hibbard, secretary, volunteer coordinator. From left are Doug Hart, Mrs. Hibbard, Vicki Jones, and Jenny Manville. All three are expected to be in the program again this year.

Atwood Suit Hearing Date Delayed Until May 27 By Attorney Agreement

The court hearing on the suit against the Atwood annexation to Placentia will be held May 27 following the filing of stipulation between attorneys for the city and the plaintiffs to postpone the hearing.

The suit was filed by A.A. Adams and Ernest Danker, who own land in the annexation area. The Anaheim City Council has authorized the city attorneys to sue to nullify the suit. City Administrator Edmon T. Powell said that the agreement to postpone the hearing includes a provision allowing the City Council to canvass the ballots and make all preparations for submission to the Secretary of State so that such action can be taken if the suit is resolved in Placentia's favor.

City Attorney Howard Block commented, "I do not think the court will sustain their Placentia complaint at this time."

Powell commented earlier after reading the charges in the suit, "I think it is just harassment. The first charge in the suit is that the city ignored a protest of over \$20,000 submitted by Mobil Oil on Feb. 20 more than a month after the protest hearing was closed. Mobil had filed a protest earlier but had left off this large parcel. The error was not discovered until it was too late. Block said that the law makes no provision for correcting such errors."

The second charge is that Placentia illegally included almost \$43,000 in public lands in the total assessed valuation. The property included consists mainly of Orangethorpe Ave., which is owned in fee by the county. Block said that only easements or improvements on easements cannot be included in the assessed valuation.

An amended petition filed a few days later also charged that the election was held too soon after the protest hearing was closed and that electioneering took place

that they wanted to remain county because of lower taxes. They said they did not need services. In addition to Adams and Danker, Harold Stern and his of Anaheim were major opponents of the Placentia annexation.

When action started on annexation Placentia promises the residents of the Atwood community at Van Huren an Orangethorpe proper, zoning, upgraded sewer and water service, and properly paved streets upon successful completion of the annexation action.

Annexation opponents had said

Peoples Place Application

Peoples Place of Placentia will not be located at 907 N. Bradford Ave. following the withdrawal of the use permit application from the City Council from Don Stenke, the applicant.

A public hearing on an appeal of the Planning Commission approval of the permit had been scheduled for last Tuesday City Council meeting.

The application was withdrawn because the house, now occupied by a sorority, became unavailable when the sorority renewed its lease on the house recently.

The group had considered more 100 sites within the city before settling on the Bradford Avenue house as the best site for their operation, according to the letter from Stenke.

Don Stenke, a spokesman for the group told the News-Times that they are still looking for another site somewhere in the city. No

Library To Show Films

On one evening and one afternoon each month the furniture is moved a little and the blinds are drawn and for an hour or two the Placentia Library becomes a movie house.

In order to introduce the wonderful collection of 16 mm. and 8 mm. films to the residents of Placentia and the neighboring area, the library will show movies on the third Friday night and the third Saturday afternoon of each month, according to Mrs. Maxine Timme, audio-visual librarian.

The local library is a member of the Santiago Film System and therefore has access to hundreds of films of all kinds - sports, animal, cartoon, documentary, travel, etc. These may be taken out one or two at a time on an overnight basis.

First in the movie series will be shown Friday evening at 8:30. It is "Variety," a film for mature audiences portraying a moving and touching love story set against the German circus world of the 1920's.

Second film will be a childrens matinee, "Bohemian Girl," to be screened at 4 p.m. Saturday. The plot is taken from a well known opera but features the early clowns, Laurel and Hardy.

Films in the next two months will be on June 19, "Ski the Outer Limits" and on June 20 "Beaver Valley." In July "Laurentians in White" will be screened July 17 and "Doughnuts from Homer Price" on July 18.

There is no charge for any of the films.

American Legion Commander Ken Freel, left, recently purchased special awards to Legionnaires for outstanding service to the local post. Winners were, from left, Bob Hampton, Jr., Don Sloan, R. P. Christian, and Elwood Murphy.

Camp To Provide Buses

Day Camp held at the YMCA site below the Brea Dam, off Harbor Blvd., is open to boys and girls between the ages of five and twelve. There are seven camp sessions from June 22, and August 21.

The YMCA bus will stop at each of the schools listed on schedule, however, additional stops will be made for three or more children in other areas, who plan to attend camp for one or more sessions.

Stops are now scheduled for Ruby Drive School at 8:00 Valencia High School at 8:05, Morse School at 8:10, Wagner School at 8:15, Van Buren School at 8:20, Orchard Drive School at 8:30, Tuffree School at 8:50, and Sierra Vista School at 8:55.

Hypnotist Will Speak

A luncheon was held today by the Yorba Linda-Placentia Welcome Wagon Newcomers Club at the Revere House in Tustin.

The social hour was scheduled for 11 o'clock this morning and was followed by a luncheon scheduled for 12 o'clock.

The luncheon was held as this month's general meeting. New members

were welcomed and general business was discussed. For more information concerning the welcoming of new people, contact Mrs. Shirley Bass at 524-7090.

The speaker for this month's luncheon-meeting was Sam Stanley, who is from the Orange County Hypnotic Center and who spoke concerning the uses of hypnosis in the modern world.

Board Plans Tour of Adobes

Members of the Board of Directors of the Friends of the Library met Tuesday night at the annex of the District Library. Purpose of the meeting was to finalize plans for the second Orange County historical tour scheduled for June 6.

The tour plans include tentatively visiting some of the old adobe homes still in existence in the county.

Among them are the Serrano building, a stop at Laguna Beach, Costa Mesa and Los Alamitos. ED GAA Will Give Awards

Honoring girls and their sports accomplishments, the El Dorado GAA will hold its annual awards banquet Thursday, May 28 at Tuffree Junior High Cafetorium.

"Wild World of Sports" is the theme of the program, according to Cathy Pickering, GAA president. Although no definite arrangements have been made for the evening's program, it will probably include a speaker.

At the banquet there will be emblems and certificates for sports participation as well as trophies, medals and letters for achievements in GAA, based on points accumulated from being on winning teams, championships, and holding office.

Orchard PTA Visits Exhibit

The Orchard Elementary School PTA will hold its May 19th meeting at the new Backs Community Building at 7:30 p.m.

All parents are invited to attend "The Awakening," where they will be able to view a special art and music program featuring Orchard students. The school choir will entertain with several selections and students will display their art works as Orchard's part in the art show being held throughout the school district in connection with the official opening of this beautiful and exciting building. PTA members will act as guides for the showing.

Fifth and sixth grade room mothers will act as hostesses for the evening

Ethnic Committee Sees Program Descriptions

A demonstration of the bilingual program was given to the Ad Hoc Ethnic Committee of the Placentia Unified School District last Wednesday by Mrs. Dorothy Freeman and Miss Lucila Valdez.

The children, some of whom speak no English, are placed in a normal classroom atmosphere. Then the teaching is done in both English and Spanish which helps the Spanish speaking student to associate English words with his Spanish. Many of these children are shy and by the use of hand puppets and a game called "Do What I tell You" they are helped to overcome this shyness. The children feel that the hand puppet is talking and not themselves. Soon these children are able to speak more English and there is less Spanish spoken in the classroom.

At the second grade level and higher an E.S.L. teacher helps these students when necessary. This teacher is Federally funded and works in the McFadden-Rio Vista area. There are also some bilingual teachers in upper grades who are also able to help. It was felt that more of the bilingual teachers are needed in our schools.

Then a report from each of the subcommittees was given: The School Location and Attendance Area Subcommittee felt that the neighborhood school concept should be maintained as much as possible in any plan to reduce racial and ethnic imbalance.

It was felt that long distance transportation of students should be avoided as much as possible because

of a possible loss of neighborhood identity and difficulties encountered by the community in participating in school activities.

They felt that the Topaz school site should be sold and another site chosen because of the population change in that area. It was felt that any future and present elementary sites be examined to see if they will add to the imbalance picture. They wish the district to consider pairing of schools to reduce imbalance or possibly to form a slightly larger group of schools and operate in an expanded neighborhood school concept.

The Educational Programs Subcommittee, after doing some studies on the effectiveness and equality in relation to achievement, felt that children participating in programs such as Title I, Mobile Reading Lab, and E.S.L. showed above average gains in all areas tested.

This subcommittee felt it would be very bad for the second E.S.L. position, which is paid out of District funds, to be phased out. They are, therefore, placing a recommendation before the School Board on Monday, May 11, to retain the position of E.S.L. teacher for the next year.

This subcommittee felt that a pre-school program would be very helpful. They feel that a child's readiness for reading will depend on his experience or the resources he develops prior to commencing school. Language is based on experience and concepts and the richer the experience the more easily concepts are developed which will later serve him well in reading readiness.

All of the educators who discussed the learning problems of the Mexican-American child were in agreement that he does not lack the ability to learn but lacks the experience and language abilities in communications which is so

vital in the early readiness stage.

They feel that achievement tests should be made on a comparative basis because it is felt that the Mexican-American child is considerably lower in math and reading from the other students.

The subcommittee also reported that some schools in the district have parents aiding these children in their learning. The Facilities and Staffing Subcommittee felt that money from the bonds should also go to the maintenance and improving of old facilities and not just new buildings. The subcommittee is going to investigate this problem to see if this can be done.

They want also to make a list of resources whereby teachers can be hired that speak both Spanish and English. It was felt that there should be more bilingual teachers in the District.

They also felt that there should be more emphasis on the culture and customs of the Mexican people in the schools, possibly by having more parent-teacher coordination in presenting programs.

They hope to obtain help from industry in putting on more educational programs for these students.

Also they thought it might be possible to hire teachers from Mexico and other South American countries on the program provided by

the government. This provides that a teacher may come for 1 to 2 years so long as they are fully credentialed in their country and can speak English.

The Evaluation of Minority Group Achievement Factors Subcommittee made the following two recommendations:

1. It is generally recommended that in-service training be required for all teachers new to the district to help orient them with the Mexican-American culture and language difference.

2. That more Mexican-American students be brought into the Plus classes. So far 960 gifted students have been identified of which only 37 are Mexican-American. They feel that some of the borderline cases be reviewed and more students taken into these classes.

Some classes like E.S.L., Headstart, and so on are very good but more of them are needed and more

Hargis To Represent ED At Annual Girls State

Vivian Hargis will be El Dorado High School's delegate to the 27th annual session of California's Girl's State.

The session will be held at the UC Davis campus from July 6 to July 14. It will be eight days of work, fun and friendship as girls from all over the state set up mythical cities, counties, and state governments. They will try to simulate the governments in every way possible using the same methods used in the real situations.

Vivian was selected by the faculty for the qualities of leadership, good citizenship, ability to get along with others, and being in the top one-third of her classes. Girls State, a program of the American Legion auxiliary, covers Americanism, education, and citizenship training. It is one of the highest honors a junior girl can receive.

This year Vivian has

Last Year's delegate from El Dorado, Cindy Bitton remembers her visit. "It was the most outstanding experience in my life, because you learn to accept people for what they are, no matter what race, religion or creed," she emphasizes.

Paul Marshall and Marge Dorko go over wall decorations which might fit into the astrological theme of the Valencia High School graduation party to be held next month.

Officers Elected

Secret ballots determined next year's Girls League officers at El Dorado High School last week, and new officers are already busily planning to make next year "the best year ever."

Heading the new cabinet as president will be Claudia Dickenson. Other officers are vice-president Kelley Parker, recording secretary Marilyn North, correspond-

ing secretary Jackie Brewer, and treasurer Maggie Mahoney.

Completing the Girls' League cabinet for next year are publicity chairman Jill Hayek, Senior class representative Cindy Woods, Junior class representative Leslie Hinman, and Sophomore class representative Laurie Jack.

This year's Grad Night at Valencia High School promises to be an exciting evening for all. The theme has been chosen as "The Age of Aquarius." The festivities will begin at 10 p.m. and will end at 6 a.m.

The Decoration Committee has been very busy preparing ideas and decorations in order to make the night a big success. Headed by Mrs. Darko, the committee plans to "transform the gym into a nightclub through decorations." The committee is made up entirely by parents of senior students at Valencia. For more information about this call Mrs. John Struchen at 524-0494.

VHS Kids Clean Up

A group of Valencia High School biology students are taking part in a clean-up campaign as part of their course work in a class taught by Darrell Walsh.

Walsh said that instead of having his students do a traditional project he offered them a choice between doing the project and spending 24 hours doing clean-up work on campus and around town.

He said that about 60 students signed up for the

project, about half the students in the class.

The students are spending three weekends on the cleanup project, taking three days from 6 a.m. to 2 p.m. to complete their part of the work.

Walsh said that two weekends ago the students picked up trash on the high school campus. He commented that the campus is still pretty clean. He said that the students had taken a new pride in their campus and a greater interest in keeping other students from leaving trash around.

Last weekend they cleaned the weeds off the parcel of land between the south end of the high school campus and the Bradford Village Shopping Center.

Walsh said that the class has one more weekend of work and then may try to get the entire school involved for another weekend.

Valencia High School biology students work hard at cleaning weeds off the vacant lot south of the campus on Bradford Avenue.

Kraemer Places Second

Kraemer Intermediate School in Placentia captured second place in the annual Orange County History Contest sponsored by the Placentia-Yorba Heritage Society last Friday night at Valencia High School, losing an overtime contest to Ladera Vista Junior High School of Fullerton.

According to John Harris, program chairman, the northern area of the county took the first three places among the nine schools participating in the meet. Wilshire School of Fullerton placed third.

Kraemer and Ladera Vista were tied for first after the 15 regular rounds of questions on United States history. Ladera Vista finally won after three more rounds.

Members of the winning team were Joseph D. Hippolito, Cheryl Perkins and Douglas Van Clief. Representing Kraemer were Bobby Franklin, Kenneth Perkins, and Susan Cole.

Contest judges were Anthony Miscione, an administrator at Valencia High School, James C. Miller, associate professor of history at Chapman College, and Dr. Jack D. Elenbaas, professor of history at Cal State Fullerton. Thomas V. Reeve II, director of the California Historical Society's Young Historians, served as moderator for the evening.

Members of Boy Scout Troop 178 and Girl Scout Troop 1074 assisted with the flag salute.

Yarak Elected President

Bill Yarak was voted Valencia high school's ASB president in an election held last Wednesday and Thursday.

After waging a vigorous campaign, which included a noontime rally, Yarak went on to defeat opponents, Bob Putman and Joe Rangel.

Dane Ilertsen, who ran unopposed, will serve as Yarak's vice-president.

Voted as treasurer, Dave Chipman defeated sophomores Linda Oliver and Inge Hardi.

Jo Dailey was elected to serve as next year's commissioner of activities while Carrie Kleidon was voted into the office of public relations.

Elected as pep commissioner was sophomore Mark Pereira while Paul Fredericks was chosen to serve as ICC president.

Councilmen for the 1970-71 school year are Becky Pachiano, Russell Hanano, Vicki Edge and Mary Winney.

Election of class officers will be held May 19.

As of Thursday, the following students had petitioned for a class office.

Dave Duffie and Dean Yamada for senior president; Bob Snyder, Joan Hudson, Mike Stable, Rick Garcia, vice-president; Laurie Burns, secretary; Chris Wilson and Ester Solorio for treasurer.

Candidates for junior class offices include Sandy Hernandez and Don Gresham for president; Celia Castillo, Stevie Blackman, Pat Fitzgerald, Ross McCrae, vice-president; Becky Braman, Sally Knauf and Mary Walters for secretary; and Jenny Mannville, Diane White, Larry Walker and Carol Bishop for treasurer.

Debbie Press, Jeff Dobyns and Eddie Diaz will vie for the position of sophomore class president. Christy Pachiano is running unopposed for vice-president while Barbie Blunt and Cindy Franklin are candidates for secretary. Meg O'Shaughnessy and Terry Foss will oppose one another for class treasurer.

No Quorum

For the second time the Budget Advisory Committee meeting was adjourned for lack of a quorum. This Committee will reconvene on call of the Chairman, Dr. Brewer.

Government Day

The Placentia Chamber of Commerce is sponsoring a student government day on May 19 for 19 students from El Dorado and Valencia

PE Classes Begin Practice

There has been vigorous activity during physical education classes on St. Josephs School grounds in recent weeks. The students are preparing for the Junior Olympics to take place on May 16, at Bradford Stadium, from 9 a.m. to 3 p.m.

The opportunity to participate is open to each student from first to eighth grade. The student selects the events in which he would compete with his classmates on the big day.

Competitive events to be judged are: 50 yard dash; 100 yard dash, 220 yard relay race, softball throw, shot-put, potato sack race, three legged race, long jump, standing broad jump, and high jump.

Each class will assemble under its own colorful banner. Ribbons will be awarded for first, second and third place in each event. The ribbons further represent point values. The class which scores the most points for the day will be awarded a trophy.

Sister Bernardine O.S.F. is sports moderator for the school, and she is coordinator for this activity. The competitions are under the direction of the Athletic Coaches, Betty Tokar, John Monnier and Rick Goyt. Parents of the school children have volunteered to assist with the judging and the presentation of awards.

Church Has Anniversary

The Eastside Christian Church in Fullerton will celebrate its eighth anniversary as a church with a dinner tonight at 6:30 at the church at 2505 Yorba Linda Blvd.

Special Olympics will be held on May 23 at Riverdale School, North Orange County's school for the trainable mentally retarded.

Twenty thousand children are registered in this nationwide Special Olympics program initiated by the Joseph P. Kennedy Jr. Foundation of Washington, D.C. There are thirty such children at the Riverdale School from the Placentia - Yorba Linda area. Most will compete in Special Olympics on May 23.

The ultimate goal of the Special Olympics program is to create opportunities for sports training and athletic competition for all retarded children.

Recent scientific research has shown that physical activities, sports and

competitive athletics are the major means of reaching the retarded. Here is an area where he can succeed and start building a positive self image, gaining confidence and self mastery, as well as physical development. As a child improves his performance in the gymnasium and on the playing field, he also improves his performance in the classroom, at home, and eventually on the job.

It is the hope of the Kennedy Foundation that the Special Olympics program will serve as a motivational "framework" within which physical education, recreation and sports activities can take place.

At the Special Olympics at Riverdale competitions will be held in age and ability

classification in five basic events: 50 yard dash, 300 yard run, standing broad jump, softball throw, and high jump.

Winners from these events will compete in state regional competitions, and these will be followed by State competitions which is the goal for Special Olympics for 1970.

The program is new, but it is expected that eventually Special Olympics will encompass the whole United States, and a Special Olympics Track and Field Meet can be held on a National Basis.

Children are coached in athletics by Mrs. Carolyn Hickey physical education instructor at Riverdale.

Forrest Shattuck is Principal there.

Los Al Wins OL Track Meet

Showing strength in almost every event the Los Alamitos Griffins won the Orange League track meet scoring 65½ points.

Host school Valencia took second with 39 points and was followed closely by Brea Olinda with 38 and Katella with 37. El Dorado tallied 31 points.

Seven meet records were broken, beginning with the first event of the evening. Brea's Byron Poland was timed 14.3 in the 120 high hurdles. He ran a 19.1 in the low hurdles, to set another record.

Teammate Tom Teeple won both the 100 and 220 races, tying the old record

in the century of 9.8 held by Walker of Tustin 10 years ago.

The Wildcat 440 relay team set a new mark posting a 43.0 clocking.

Robin Brown of Katella leaped 22-7½ to set a new standard in the long jump.

Randy Dunlievie of Los Alamitos broke the old record in the two mile recording a 9:47.

Katella scored 52½ points to win the Bee meet. El Dorado took second with 42 followed by Valencia with 24.

Los Al took first in the Cee division by tallying 39 points. Valencia just edged out Katella by one point for second with 34 points.

Bob-Etts Scoring Booms

It was clearly a day to raise batting averages as several high-scoring games were played Saturday by the girls of the Bob-Etts Softball League of Placentia. In the major league the Golden Challengers defeated the Raiders by a score of 14-12. The Cyclones came back from a poor first inning to beat the Saints 22-10 and the Tigers squeaked past the Banditos 16-15. Marita Royere's grand slam home run in the seventh inning was not quite enough for the banditos to catch up.

Major league games are normally 7 innings long while minor league teams

play 6 innings. The major league teams this year are displaying an interesting combination of returning talent from last years major league teams and outstanding young girls up from the minors. Pat Laguna of the Olympians and member of last years All Star Major League Team and Sheree Ledbetter, playing her first year in the majors, are typical of the fine young talent to be seen this year in Bob-Etts softball. The public is invited to watch exciting girls' softball Saturdays at Wagner Elementary School on Yorba Linda Blvd.

Golfers End Year

Valencia's Varsity golf team finished in second place only ½ game behind tough Los Alamitos.

"We are greatly indebted to M. D. Johnson of the Alta Vista golf course for the use of his turf for all of our home matches, also we would like to thank Ned Hawkins for the use of the Brea Course during the week to practice," commented Coach Hal Polley.

The squad is losing 3 outstanding seniors in Jim Bradley, Bruce Bilton, and Steve Hopkins.

"These boys have done an outstanding job leading our young team to place second in league," stated Coach Polley.

The Orange League individual tournament will

be held this coming Friday, May 15 at Mission Viejo. Five medals will be given and the top 3 performers will go to the CIF tournament.

Other members of the Varsity include Mike Orth, Dale Rutherford and Greg Bilton.

The younger Jayvees showed much promise this year and should really allow Coach Polley to look forward to another bright season of golf at VHS next year.

Daryl Eve, Larry Taylor, Drew Mehner, Paul War-ranch, and Ken Marshall make up the younger squad which is going to face Brea Olinda in a playoff at Western Hills for the League championship.

El Dorado Golfers Lose

El Dorado's Golf team went to Mission Viejo last Monday to try and enter some golfers in CIF competition.

Only the top three golfers of the area won trips to compete in CIF. Bob Hurst and Gary Willy had the best chances of all the Hawk golfers.

The Hawks had a year of experience more than anything else according to Coach Max Eubanks. Next

year Coach Eubanks' crew will participate in the Orange League with every letterman returning.

El Dorado played Savanna twice in last week and lost both times, 24-5, 21-11.

Leading the team in total points are Bob Hurst, Gary Willy and Steve Forell. Hurst has 18, Willy has 14, and Forell has 6. Also Phil Offenhouser has 3 and freshman Gary Milton got one point.

VHS Baseball Team Closes with Two Victories

The Valencia Tiger varsity baseball team finished strong in Orange League play by winning both of their final games defeating Brea and Sonora.

The victories clinched a fourth place tie and first division finish for the year.

Terry Walling was the difference in the closing victories with a 2 run home run against Brea and the throwing of shutout ball against Sonora which has only five losses this year.

Tigers Place 3rd at Finals

The Valencia Varsity track team under Coach Mike Cummins finished 3rd in the O.L. finals.

The team went 1-2 in the pole vault led by Ron Mooers who cleared 13-6 and Jim Collins.

Senior John Ast has had a bad habit of finishing second behind Sophomore Alex Covarrubias in the discus all year but waited until League finals to finally over take him. Ast took first throwing 152-0 and Covarrubias second 150-1.

Placentia Little League

In the Major League of the Placentia Little League, Brett Manwill and Mike Decker combined to pitch the Pirates to a 5-4 win over the Astros. Decker, the reliever, struck out the side in the sixth inning and contributed a home run. The Pirates in winning retained league leadership.

The Angels maintained an unbroken string of wins by defeating the Braves 19-4. In sole possession of first place in the Minor A League, the Angels meet the second-place Padres next Saturday in what may be the highlight game of the season.

The Raiders—in the Minor B League—were involved in both ends of a turnabout last week. In the mid-week game against the Cowboys, the Raiders won with a grand slam home run.

by Ace Ellioff and then scored on Walling's homer.

The highlight of the game was in the third inning when Brea had just scored one run and had the bases loaded with no outs. Frank Rangel relieved Walling and got the first out by getting the batter to hit for a force play at home. He then got out of the inning by striking out the next two batters.

It did not end there because Rangel struck out the next 3 batters he faced in the fourth inning.

"It was great pitching effort for Rangel under pressure," were words from Varsity coach Dick Enright.

Rangel ended up throwing 5 innings striking out 9 men and walking one for his best performance of the year.

In the fifth Valencia added a third run with one out, Mike Bays and Mark Allen singled, as Bays headed for third on the hit and run play the throw from right field was high which allowed Bays to score.

Walling only allowed the Sonora Raiders 6 hits, all singles.

The Tigers played good heads-up baseball putting together only two singles and a pair of walks for 3

runs.

In the fifth frame Tony Vitale and Don Shafer got on base via the base on balls route. Rangel struck out, then Marmelejo singled to drive in Vitale for the only run the Tigers needed for the win.

John Key replaced Balwin and struck out Ace Ellioff. Then Walling came to bat to single home Shafer for the second run. On the ensuing play, Sonora catcher Brad Hillman attempted to catch Marmelejo off of second base, but as the throw went to the bag he broke for third and Walling broke for second. During the rundown of Walling, Marmelejo scored and Walling was tagged out ending the inning.

Seniors who were on the team include Raul Davis, Ellioff, Bays, Shafer, Allen, Vitale, Larry Lopez, Alfred Salazar, Ron Peterson and David Shaefer.

Mike Bays as he's done all year remained the top hitter followed by Walling and Allen.

ED Track Qualifies Five For CIF Finals

Qualifying five Varsity runners for CIF, El Dorado's track team had the second most qualifiers in the Orange League finals, last Friday night at Bradford Stadium.

Dennis White, Steve Pugh, Sam Rossi, and the four man mile relay team will all go to the CIF quarter finals Saturday, May 16, at Westminster High School.

White took first in the 880 with a time of 1:57.4; Pugh ran a 50.0 to win the 440; and the mile relay team consisting of Mike Ball, Bobby Johns, White, and Pugh, broke the Orange League record with a time of 3:28.8. Rossi won the shot put with a new Orange

League record toss of 55 feet 4 inches.

In Bees, Rodger Campbell won the 120 high hurdles, Greg Kempton came in second in the 100 and 220, Tom Suiter took fourth in the 1320, and 880 relay team consisting of Chip Williams, Campbell, Dorian De Jesus, and Kempton, took a second.

In the Bee field events, Mark Davenport threw the shot put 52½ to win and Dean Brewer got third. In the discus, Brewer took first with a throw of 135-3/4, which was a new Orange League record.

Other Bee scorers were Dave Bean, third in the high jump, De Jesus, fifth in the

long jump, Ray Rush, fifth in the high jump, and Monti Meadows, fourth in the pole vault.

Campbell, Kempton, the 880 relay, Davenport, and Brewer will go to CIF.

Chris Jones was the only Cee runner to get a point as he took second in the 660 with a school record time of 1:26.9. Paul Salabedra got a fourth in the shot put, Bill Bailey got a third in the high jump, and Jones got a fifth in the long jump.

Jones will compete in CIF next Saturday.

VHS Frosh End Season

"It was a fantastic season with a tremendous effort from a team consisting mostly of Freshmen," were words from VHS Frosh-Soph baseball coach Gary Jones.

The team had a 9-5 record in League.

Richard Hernandez pitched 10 innings, allowing 3 hits and striking out 12 batters to lead Valencia to the victory over Sonora 1-0.

Hernandez also scored the only run by getting a single, then going from first to home on an overthrow to second.

Tom Ricks was 2-4 at the

plate.

In the 10th inning with 2 outs Sonora gave the Tigers a brief scare by getting a man to third base on a hit. When the Raider tried to score Hernandez threw to catcher Pat Walters to get the runner out by 15 feet in a head to head collision to end the game.

"The team played good defense all year long, had a good mental attitude and were always ready," commented a happy Coach Jones.

Against Brea the group won easily 10-3.

Ricks led the hitting parade going 3-4. Steigner was 2-3 and Steve Matych 2-5. Hernandez had 2 RBI's.

Matych led the club by hitting .357 in league followed by Ricks at .319. Hernandez was 10-41 knocking the ball for a .243 clip. Walters had most at bats 12-48 hitting .250.

Hernandez was the top pitcher with a 5-3 mark, striking out 55 batters in 63 innings pitched and having an outstanding ERA of 1.65.

Valencia GAA Qualify Three

The Valencia High School GAA swim team with over half the season to go has already qualified 3 girls to swim in the CIF finals in Beverly Hills.

Kim Hanna heads the list as she has broken the standing record of 27.0 in the 50 yard free style held by the All-American High School Team, with an excellent time of 26.2.

Marju Tilly of Finland, now a Tiger, competes in the Varsity butterfly, backstroke, and free style. In Finland she is ranked 6th.

Sophomore Cindy Wright also has qualified for the finals.

The Varsity swim team has a 2-0 record with victories over Troy 47-20 and Lowell 61-16.

ED Tennis Gets Third

El Dorado's tennis team came in third place in the Orange League behind Los Alamitos and Katella.

Playing in the OL finals at Los Alamitos on May 9, the Hawk netmen couldn't send anyone to CIF as the Katella and Los Alamitos dominated the whole tournament.

Number one man, Geoff Pyne got to the semi-finals only to lose to Steve Miller of Katella, 6-3, 6-1. The doubles team of Rick Doebler and Bob Fraser lost in the quarterfinals to Los Alamitos' team in three sets.

Dewain Campbell and Bob Johnson lost in the quarterfinals to Katella's team, also in three sets. Greg Kowalski was eliminated in the quarters by his teammate, Pyne.

Finishing the season with a 14-5 record, the Hawks didn't quite have the depth like last years championship team. El Dorado's league record was 10-4. In the three years of coaching, Coach Bill Clark has an overall record of 43-19.

Playing Los Alamitos in their final match, the Hawks upset the Griffins 16½-12½.

Geoff Pyne made the biggest upset by beating Orange League Champion for the last three years, Craig Rodgers.

Six of the nine Varsity lettermen are seniors and will not return next year. They are Pyne, Doebler, Campbell, Fraser, Johnson, and Mark Bergmann. Junior lettermen were Bob Backes, Scott Thorpe, and Greg Kowalski.

Steve Warren led the Junior Varsity in the most sets won with 26. Other JV lettermen are Doug Hart, 24 sets won, Rick Wallstrom, 22 sets won, Mark Ray, 20 sets won. Also Ken Mosley, Rick Baxter, and Joe Barrese. Mosley and Ray won't return next year either.

Troy Defeats Savanna

Buena Park made the Freeway League race tighter Friday as the Coyotes came to the Troy High diamond refusing to let the Warriors run away with the title.

Larry Sedik got to pitcher John Morris as he hit two home runs. With the fine pitching of Bruce Flemming, the Coyotes glided to a 5-1 win and left the championship of the Freeway League in the air.

The lone Warrior run came in the sixth when second baseman Jimmy Bass got his second base hit, and scored on Paul Villiott's "Texas Leaguer" into center field.

Morris, who is only a junior, lost his first game of the season, (4-1). He had help from Charly Parker.

The Warriors had maintained their league lead by beating Savanna, 7-4 on Tuesday.

The Warriors looked like a championship team as they got usual good combinations of hitting, solid defense and strong pitching, with Brad Hickman winning his third straight game.

Troy tallied four times in their half of the second to jump in front of the Rebels. Bill Hobbs got a double to center field. He moved to third as Paul Villiott flied out and scored on a ground ball, that was bobbled. Lance Copeland then stole

second base and then as Greg Schnurr doubled down the right-field line, Copeland scored. Hickman and Eric Buzza then ripped back-to-back triples to finish the scoring. Savanna added one in the bottom of the second, but Troy put the game away in the last three innings to win it.

Hickman fanned five and walked only one making his won-lost record to 3-2, Ferrin got the loss.

VHS Tennis Team Splits

The Valencia Varsity tennis team traveled to Los Alamitos last Friday and participated in the Orange League finals.

First doubles team of Richard Spitler and Dean Okimoto was beaten in the second round by Sonora 6-4. The twosome defeated Los Al's second doubles 6-3, 6-0 in the opening round.

Charley Turnbull and Cory Aguirre also made it into the second round before succumbing in two sets to their opponents.

It took 3 sets to eliminate Mike Edge in the opening round of singles.

"We improved our league scores every time we played in the second round, considering the little depth on our second doubles we came out real well for the season."

The league record was 6-8 equalling last years mark.

The team defeated Brea 21-7. Freshman Okimoto swept all his games 24-0 and Spitler won 20 of his 25 games. Both swept all their sets.

Against Sonora the team lost 23-5. Singles players Okimoto, Spitler and Edge scored points for the Tigers. The Doubles team of Aguirre and Alan Winney split.

Don Gavel, Mike Foisy and Steve Bowden are other members of the Varsity.

The Jayvees under Coach Kenneth Robinson lost to Sonora and defeated Brea 13-1 to end with an even mark of 7 wins and 7 losses for league.

Players of the squad include Mike Gadbury, John Roth Doug Clark, Wayne Kelly, Phil Hammers, Mike Bourke, Mike McKay and Bruce Schneider.

Giants Still On Top

The Giants remain undefeated after three weeks of competition in the Major division of the Yorba Linda Little League.

Giant Todd Talbert displayed his batting force when he hit a grand slam in the ninth inning of the Dodger game to win the contest 6-1.

Fighting for the number two spot in the major division are the Dodgers and the Cardinals. When these teams met in competition the Cardinals were downed 3-1. The Cards came back to beat the Braves 1-0 but later fell to the Pirates by the same score. The Pirates had a good week conquering the Mets 5-3 and the Cubs 11-2.

Phillies pitcher John Shields struck out 11 batters in the Cub game giving the Phillies the 6-2 edge. The Phillie Met game will be replayed at a future time having tied 8-8.

Yankees and Angels each hold five wins and two losses in the American division. This three way tie was a four way tie until the Indians downed the Orioles 6-0. Yankee Brad Ou shut out the Tigers in the last two innings and helped his team get their 6-5 win while at bat. Craig Antes was the Yankee star in the White Sox game when he hit a triple with the bases loaded. The game ended 5-6. Red

Sox dropped a notch in the standings when they fell to the Tigers 4-7 and to the Orioles 3-5. Red Sox did however overcome the White Sox 4-3 earlier in the week.

The Athletics had a rough week falling to the Orioles 21-3 and the Angels 21-11.

National division also holds a three way tie for first place. The Astros, Jets, and the Colts each claim four wins and 1 loss. The Twins beat the Stars 20-11 but later fell to the Astros 18-10. Stars also lost to the Jets 2-1. In the Beaver-Colt game the Beavers claimed a 12-1 victory while the Padres beat the Senators 10-8.

Los Al Beats Hawk's Frosh

Coach Dave Riley's Frosh-Soph baseball team completed their season last Thursday with a loss to Los Alamitos.

Losing 10-0, the Hawks couldn't even get a hit in the season finals as the Los Alamitos pitcher pitched a no-hitter.

Throughout the season the Frosh-Soph had a frustrating time compiling a 1-12 league record and a 2-15 season record.

Top hitters were shortstop Greg Hayes, left fielder Danny Cash, and center fielder Kelly Bert. Jeff Ayer pitched most consistent of any of the Frosh-Soph pitchers according to Riley. The team improved over the season, as a whole, and many of the boys will play Junior Varsity next year.

Hall Mother of year

Sunday School services at the First Church of the Nazarene on May 10 were marked by a special event. All mothers were honored at the service, but recognition was given to the mother of the congregation, whom it was felt best represented Christian mothers everywhere.

This honor was bestowed on Mrs. W.B. Hall of 228 Sunrise, who for over 40 years has been a faithful attendant at all services and a supporter of the Church activities. Mr. and Mrs. Hall came to Placentia in 1924. Until his retirement he worked in the oil fields of the city.

Five children were born to

the Hall family, and all were reared in the Nazarene faith. Mrs. Hall has the distinction of being the oldest member in point of service in the church. Children of this union are Mrs. Edith Hall Finley, Lawrence Hall, now living in Batesville, Ark. Mrs. Marguerite Hall Ferguson, Richard Hall and Mrs. Joyce Hall Bushnell.

Surrounding Mrs. Hall at the service were her grandchildren, great grandchildren and her brother, Wint Nickle. Her sister, Mary Jane Maxey, now living in a convalescent hospital was unable to attend, but sent greetings to her.

Mrs. B. E. Gebhart, wife of the Nazarene Church pastor, presents Mrs. W. B. Hall a box of roses signifying her selection as mother of the year in the church.

'Stewardship' To Begin

The First Baptist Church of Yorba Linda begins "Stewardship Week" May

The past four Sundays there has been a series of speakers help lead into the event. These speakers were: John Marshall, Margaret Shockey, John Middleton, and Robbie Cromwell.

The purpose of this "Stewardship Week", which is the third consecutive year that it has taken place, is to visit each member of the church for funds to help in the church activities, maintenance and general expenditures.

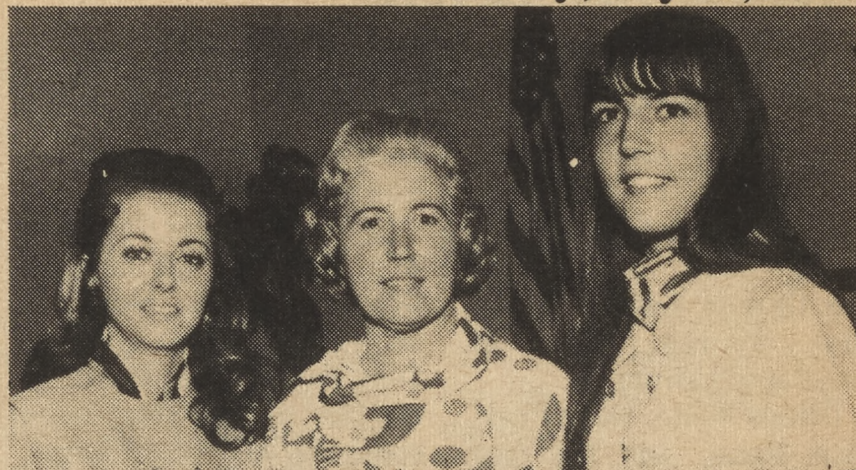

Men from the congregation will be trained for the purpose of collecting pledges in a series of several meetings.

The first meeting is to be on May 17 at 6:50, which will be in the form of a dinner and instructions. Another

The Placentia Presbyterian Church has called Jim Thompson to be associate pastor and minister of christian education, replacing Rev. Don Lyday, who has served in that position since last year. Thompson will join the staff about July 15.

He will graduate next month from the San Francisco Theological Seminary. He is presently serving as an intern on the six member ecumenical staff at UNITAS, campus ministry at the University of California at Berkeley.

Mrs. Charles Corriere, left, program chairman, Mrs. Henry Lissi, president of the Redeemer Lutheran Church Women's Club, and her daughter Janet Lissi prepare for the annual mother-daughter luncheon to be held May 16.

Church Will Hold Tea

Ushering in the feeling of spring, flowers from 'Friendship's Garden' will set the mood for the annual Mother-Daughter Tea to be held on Saturday, May 16 at 2 p.m. by the Redeemer Lutheran Church Women, at the church, 451 W. Madison Avenue, Placentia.

Included in the program which has been arranged by Mrs. Charles Corriere, will be the guest speaker, Mrs. Ann Ortlund, wife of the pastor of Lake Avenue Congregational Church in Pasadena. Her father is a General in the U. S. Army. She has been an

Graham Film To Be Shown

A film entitled "His Land" will be shown this Sunday evening, May 17, at 7 o'clock at the First Baptist Church at 18372 Lemon Drive in Yorba Linda.

"His Land" is the latest of the Billy Graham films produced by World Wide Pictures. It stars Cliff Barrows, who has been with Billy Graham as his song leader since the beginning of his evangelistic tours, and features Cliff Richards.

Presentation will be made by Mrs. Arthur Bullis and her three daughters, Debbie, Karen and Sheryn. Mrs. Al McCleod and her daughters, Yvonne and Sandra, will be serving as ushers.
